DR. WISTAR'S BALSAM OF WILD CHERRY.

COUNTERFEITS.
OLD VIRGINIA WHISKY.

Albemarle Co., Va.
March 21, 1847.

Mr. Seth W. Fowle—Dear Sir:—I take pleasure in stating to you my experience in the use of Wistar's Balsam of Wild Cherry. I own a very valuable negro girl, who was attacked with a difficulty of the lungs, which brought her in appearance to the brink of the grave. I consulted some of our best physicians, who pronounced her case incurable, or that they could do no more for her. I tried many remedies but none did any good. I saw some account of Wistar's Balsam, and thought I would try it, but had little faith in it. I procured a bottle, which was administered according to directions, and I saw she began to mend; and before the first bottle was gone she was up. I procured a second bottle, and she took that, and now she is, I think, cured, or nearly so. She attends to her daily labor, and I hear no complaints from her.
R. L. JEFFERSON.

Consumptive Patient—Will please read the following statement from the Harrison Gazette:—The credulous are invited to read the following note from Rev. Mr. Coldron, whose character for truth and veracity is above suspicion, and have their doubts dispelled to the superiority of Wistar's Balsam of Wild Cherry, over all other remedies now before the public of the same character:

CORVON, Ind., Jan. 23, 1848.
It is no less a duty than a pleasure to state, for the benefit of the afflicted, that I consider Wistar's Balsam of Wild Cherry a great blessing to the human race. Having tried it in a case of severe affliction of the lungs, I unhesitatingly recommend it to those similarly afflicted, as the best remedy I have ever tried, and one which cured me when physicians said I must die, and when I thought myself that my time to depart was near at hand.
WM. COLDRON.

CAUTION—To guard against a spurious imitation of Wistar's Balsam, put up in Philadelphia by one W. M. Spear, the genuine has the names of Henry Wistar, M. D., Philadelphia, and Sanford & Park on the fine steel engraved wrapper—without both of these names, it is positively counterfeit.

HENRY BLAKESLEY & Co., S. W. corner of 3d and Chesnut streets, sells the above medicine. Price \$1 per bottle.

Sold also by **BROWN & DUNN**, Warsaw, COX & MCCLAIN, Osceola, R. J. McELHANEY, Springfield.

and upon inquiry—observing strictly the above caution—may be found in every town throughout the State.

The Great POPULAR MEDICINE
Of the Day—Fast amount used per month—The numerous and wonderful cures it effects—Its magical effects upon Bilious Fevers and Ague—Great Extent among the Doctors.

THE INDIAN QUEEN VEGETABLE
Sugar Coated Pills are now admitted, on all hands, to be the most extraordinary and valuable medicine in general use. It not only acts as a specific upon the Bilious and Typhus Fevers, Chills and Fever, and Fever and ague of the west and south, but in all diseases of debility, weak stomach, indigestion, loss of appetite, impurity of the blood, and all diseases prevalent in a western and south-western climate. Their great power consists in their peculiar effect upon all the organs of the system, and the rapid formation of new and rich blood, which they produce. In this lies the great secret of their success. They are mild and pleasant in their action, but searching and permanent in their effect, penetrating the remotest recesses of the system, by their ready absorption into the blood, thereby infusing a new supply of vitality and nervous power into all the machinery of life. The extensive popularity they have acquired all over the west and south, ensures the sales of at least

Fifty thousand Boxes a month.
And we find it difficult, with our large force of hands, and the late improvements in machinery, which we have adopted, to manufacture them fast enough to supply the demand in the thirteen western and southern States. One large manufactory is constantly engaged in preparing the various concentrated extracts of which they are composed. From the best information we can obtain from our 8,000 selling agents and hosts of attentive correspondents in all parts of the country, our medicine cures, per month, not less than 19,000 cases of Fever and ague, (1000 of which resisted all other treatment); 4,500 cases of bilious fever; 5,500 cases of weakness & general debility; 2,500 cases of various chronic diseases; 1,000 cases of weak stomach and loss of appetite; 800 cases of dyspepsia; 1,200 cases of rheumatism; 1,000 cases of female complaints; 1,200 cases of ague cake, or enlarged spleen; 1,500 cases of liver complaint; 500 cases of scarlet fever; 400 cases of typhus fever; 300 cases of sore throat.

This must appear almost incredible, but the numerous letters from physicians, agents and those who use the medicine, from all the western and southern States, satisfy us that this is a moderate estimate, and that our medicine is rapidly taking the place of the various sugar coated counterfeits, which are afloat, and the numerous tonic mixtures, made wholly of quinine, which are imposed upon the public by manufacturers who live, nobody knows where!

Dr. Bragg's famous Sugar Coated Indian Queen Vegetable Pills, are of two kinds—the Cathartic and Tonic. The Tonic Pills are peculiarly adapted to the quick and permanent cure of Fever and ague, Torpor of the Liver, and General Debility. It is in fever and ague, chills, fever, &c., that they achieve their greatest triumphs. It rarely requires over 12 hours, or more than half a box of the Tonic Pills, to break the chills and effect a permanent cure—which is rarely the case with the tonic mixtures of quinine, hawked about the country by ignorant pretenders. Those who take the Tonic Pills once will never forsake them.

Who can wonder, then, that a medicine of such extensive popularity and extraordinary virtues should cause great

Excitement among the Doctors!

The prejudices of physicians against their use are at last giving way to the play of reason, and the convictions of every day experience which they derive from their patients and friends who use them.

Doctors are now almost every day sending orders from every part of the country, for a supply of the Pills, to use in their practice.

Jefferson City Steam

FERRY BOAT.

THE subscriber would inform the public that he has in successful operation a splendid new Steam Ferry Boat, now plying constantly between the wharf at Jefferson City and the opposite shore. He has procured good and substantial floats, or landing boats, and horses, wagons, &c., may at all times cross the river with ease and security, and in the short time of two minutes and a half.

The roads leading from Hannibal and St. Charles, in the direction of Arkansas and Texas, are now in excellent condition, and as the route by Jefferson City is forty or fifty miles nearer than any other, the facilities of a good Steam Ferry Boat at this point renders it the most desirable for crossing the Missouri river.

There will be no detentions, and the utmost care will be taken to prevent any accidents.

J. T. ROGERS. Jefferson City, Oct. 21, 1848-32.

To those most concerned.

ALL those indebted to me either by note or account, would do well to come forward and make immediate payment, as money I must have from some source, and money so honorable as the one I intend to pursue. Dr. E. EASTERLY'S Medicated Strengthening Plaster

THIS plaster has been prepared under the immediate eye and superintendence of an old physician, who is a graduate of the University of Pennsylvania, and has had extensive practice for more than 30 years in treating the various diseases incident to this country. He confidently recommends this Plaster, from a thorough knowledge of its virtues, to be superior to every Plaster now in use. By keeping up a gentle perspiration, it is admirably adapted for Pains or Weakness in the Breast, Side, Back or Limbs; also, for the Gout, Rheumatism, Enlargement of the Spleen, Liver Complaint and Dyspepsia, and for Coughs, Colds, Asthma, Difficulty of Breathing, Oppression of the Stomach, &c. To all persons predisposed to Consumption, or who are subject to violent coughs and colds, they are particularly recommended—as they give almost immediate relief, and for pleasantness, safety, ease and certainty, they are decidedly superior to most other remedies.

Persons afflicted with any of the above diseases will find Dr. Easterly's Medicated Strengthening Plaster much superior to any other ever before offered to the public. Physicians, druggists and dealers in Medicines, will find it to their interest to keep a supply of these valuable Plasters on hand to accommodate their patrons.
